## **Hotel L'Avenida is the Prefect Honeymoon Hideaway**

The Hotel L'Avenida, tucked away in the elegant little town of Soller on Mallorca's jet-set north-west coast, makes the perfect location for couples in search of a honeymoon hideaway. The boutique bolthole is beautifully wrapped within the shell of a 100 year old classical mansion and is framed by magnificent views of the surrounding Tramuntana Mountains.

Eight individually decorated rooms and suites offer the latest in luxury living, with flat screen TVs, DVD players (with a library of films available) and internet access in every room. Big and sumptuous bathrooms feature funky Philippe Starck details, with enormous double showers using cymbal-size shower heads, and contemporary roll top baths in the suites.

The large swimming pool shares the tropical courtyard garden with a secluded sun-bathing deck, shady gazebo chill out zone and an area for al fresco dining at the hip bistro restaurant, where a tempting selection of delicious, modern Mediterranean dishes is served.

Venturing beyond the hotel, the beach at Puerto de Soller is a five minute tram ride away and the capital, Palma, is just 20 minutes by car or a 50 minute journey in the antique carriages on the famous Palma-Soller narrow gauge railway.

A full range of activities can also be organised including helicopter flights and golf tee time, as well as in room aromatherapy sessions.
